CHARACTER REFERENCES

15. Three recent character references addressed to the Board, dated no more than three months from the date you signed the application form. The reference must be on official letterhead (where applicable), dated, state the applicants name, and be signed. Referees should comment on the applicant's character, work experience, and professional standing. At least one reference must be from a senior psychologist who has had professional involvement with the applicant. Where applicable please include a copy of the referee's registration certificate, licence or current practising certificate.

References can be included with the application or emailed by the referee to registration@nzpb.org.nz

Tick the box if you do not know a New Zealand Registered Psychologist who could provide you with a reference.

CURRICULUM VITAE (CV) OR RESUME

16. A copy of your up to date Curriculum Vitae must be included with this application form. This must include in chronological order all employment history, clearly stating the country of each workplace. Please ensure any gaps are explained.

EVIDENCE OF GOOD STANDING

17. Enclose evidence of Good Standing from any organisation/professional association or regulatory body with which you are currently or have been registered, licensed, or chartered within the past five years (if you are registered overseas). Document(s) must be dated within three months of the application date.

RECORD OF CRIMINAL CONVICTIONS

A conviction will not necessarily preclude the granting of registration. The Board will consider any conviction(s) on a case-by-case basis. If you have a conviction, please write a letter about the conviction to the Board to accompany the record.

18. The Board requires overseas applicants to provide a Police Clearance Certificate from each country they have lived in for longer than 3 months within the past five years, dated within 6 months of the application date. If these are only available electronically, please request the agency to issue it directly to registration@nzpb.org.nz

COMMUNICATION SKILLS

19. If you have completed your psychology training in English in Australia, Canada, South Africa, the United Kingdom, or the United States of America you will not need to provide any further information.

If your psychology training was not completed in English in one of the above countries, please provide either an original or a certified copy of your IELTS (Academic) results. An overall result of 7.5 is required with a minimum of 7 in each band. Test results must be obtained within two years prior to applying for registration and must be obtained in one sitting. The Board may also require you to attend an interview so that further evidence of your English communication abilities can be obtained.

For all other countries please provide your IELTS (Academic) English language test results as detailed in the previous paragraph.

A certified copy means an official with the necessary legal power to take Statutory Declarations in the applicant's country writes on a photocopy of an original document that they have sighted the original and certifies it is a true copy of the original. Certification requires that the official signs with his or her name, position and official seal (where applicable) clearly visible by the signature.

Receipt of your application will be acknowledged by email.

The application will be processed once all supporting documentation is provided.

ALL APPLICATIONS MUST INCLUDE THE FOLLOWING DOCUMENTATION

- A **certified colour** passport sized photograph. The certifier must sign and date the photo and state the following:
I **certify** that this is a true likeness of [full name of applicant].
- A **certified** copy of the applicant's passport page showing date of birth, nationality and photograph.
- (Item 5): Evidence of any name change (e.g., Deed Poll, Marriage Certificate) signed by someone authorised to take a Statutory Declaration in the applicant's country.
- (Item 13): **Qualifications**

SCOPES OF PRACTICE AND QUALIFICATIONS

For psychologists registered in New Zealand under the
HPCA Act 2003

SCOPES OF PRACTICE AND PRESCRIBED QUALIFICATIONS

1. **“Psychologist”** - A psychologist within a general scope is defined as rendering or offering to render to individuals, groups, organisations or the public any psychological service involving the application of psychological knowledge, principles, methods and procedures of understanding, predicting ameliorating or influencing behaviour, affect or cognition. Such practice is undertaken within an individual's area and level of expertise and with due regard to ethical, legal, and Board-prescribed standards.

The following qualifications are prescribed for registration as a psychologist in the general scope of practice;

A minimum of a Masters degree in Psychology from an accredited¹ educational organisation, or an equivalent qualification. Eligibility for a general scope of practice requires a Board approved practicum or internship involving 1500 hours of supervised practice.

2. **“Intern Psychologist”** - An intern psychologist within a special purpose scope is defined as rendering or offering to render to individuals, groups, organisations or the public any psychological service involving the application of psychological knowledge, principles, methods and procedures of understanding, predicting ameliorating or influencing behaviour, affect or cognition. Such practice is undertaken within an individual's area and level of expertise and with due regard to ethical, legal, and Board-prescribed standards.

An Intern Psychologist scope of practice may be granted to applicants:

- who have completed formal academic studies that have provided them with the foundation competencies required for safe practice in a supervised internship setting and who are enrolled in a Board-accredited post graduate diploma or doctoral course of studies.

3. **“Trainee Psychologist”** - A trainee psychologist within a special purpose scope is defined as rendering or offering to render to individuals, groups, organisations or the public any psychological service involving the application of psychological knowledge, principles, methods and procedures of understanding, predicting ameliorating or influencing behaviour, affect or cognition. Such practice is undertaken within an individual's area and level of expertise and with due regard to ethical, legal, and Board-prescribed standards.

A Trainee or Intern Psychologist scope of practice may be granted to applicants:

- who have completed formal academic qualifications that have provided the foundation competencies required for safe practice in a supervised setting and who are entering Board-approved supervised practice for the purpose of achieving full registration.

VOCATIONAL SCOPES OF PRACTICE AND PRESCRIBED QUALIFICATIONS

4. **“Clinical Psychologist”** - Clinical Psychologists apply psychological knowledge and theory derived from research to the area of mental health and development, to assist children, young persons, adults and their families with emotional, mental, developmental or behavioural problems by using psychological assessment, formulation and diagnosis based on biological, social and psychological factors, and applying therapeutic interventions using a scientist-practitioner approach. Such practice is undertaken within an individual's area and level of expertise and with due regard to ethical, legal, and Board-prescribed standards.

The following qualifications have been prescribed for registration as a psychologist in the clinical scope of practice;

A minimum of a Masters degree in Psychology from an accredited educational organisation and an accredited Postgraduate Diploma in Clinical Psychology, or equivalent qualification. Eligibility for a clinical psychology scope of practice shall require a Board-approved practicum or internship involving 1500 hours of supervised practice.

¹ “Accredited” here and in subsequent references means accreditation of the educational organisation, or an educational course, by the New Zealand Psychologists Board for the purpose of registering psychologists.

5. **“Counselling Psychologist”** - Counselling Psychologists apply psychological knowledge and theory derived from research to the area of client empowerment and enhancement, to assist children, young persons, adults and their families with personal, social, educational, and vocational functioning by using psychological assessments and interventions, and preventative approaches that acknowledge ecological, developmental and phenomenological dimensions. Such practice is undertaken within an individual's area and level of expertise and with due regard to ethical, legal, and Board-prescribed standards.

The following qualifications have been prescribed for registration as a psychologist in the Counselling Psychologist scope of practice;

A minimum of a Master's degree in Psychology from an accredited educational organisation and an accredited Postgraduate Diploma in Counselling Psychology, or equivalent qualification. Eligibility for a counselling psychologist scope of practice shall require a Board-approved practicum or internship involving 1500 hours of supervised practice.

6. **“Educational Psychologist”** - Educational Psychologists apply psychological knowledge and theory derived from research to the area of learning and development, to assist children, young persons, adults and their families regarding their learning, academic performance, behavioural, social and emotional development, by using psychological and educational assessments and applying interventions using systemic, ecological and developmental approaches. Such practice is undertaken within an individual's area and level of expertise and with due regard to ethical, legal, and Board-prescribed standards.

The following qualifications have been prescribed for registration as a psychologist in the educational scope of practice;

A minimum of a Masters degree in psychology³ from an accredited educational organisation and an accredited Postgraduate Diploma in Educational Psychology, or equivalent qualification. Eligibility for an educational scope of practice shall require a Board approved practicum or internship involving 1500 hours of supervised practice.

7. **"Neuropsychologist"** - Neuropsychologists apply scientific understanding of the relationship between the brain and neuropsychological function within applied clinical contexts. This approach forms the basis for the assessment, formulation, and rehabilitation of people who have sustained brain injuries or other neurological conditions. Neuropsychologists work with people of all ages who have neurological problems such as traumatic brain injury, stroke, epilepsy, toxic and metabolic disorders, brain tumours, and neurodegenerative diseases. Such practice is undertaken within an individual's area and level of expertise and with due regard to ethical, legal, and Board-prescribed standards.

The following qualifications have been prescribed for registration in the Educational Psychologist scope of practice:

A minimum of a Master's degree in Psychology from an accredited educational organisation and an accredited Postgraduate Diploma in neuropsychology, or equivalent qualification. Eligibility for the Neuropsychologist scope of practice shall require a Board-approved practicum or internship involving no less than 1500 hours of supervised practice.

³ A Masters degree in Education may be considered equivalent to a Masters degree in Psychology where its content is sufficiently educational psychology in nature.
